Machine Learning 15-681
Tom Mitchell, Fall 1997

Homework Assignment 1
Due at beginning of class on September 11, 1997

1. Turn in a photograph of yourself (a photocopy of your student ID photo will do – we just want to know which face goes with which name).

2. Exercise 2.3 in the textbook.

3. Exercise 2.4

4. Exercise 7.2, part *a* only.
