

Follow the Yellow Brick Road

Move along a predefined path to a goal.

Follow the Yellow Brick Road

Move along a predefined path to a goal.

1 WHEN + DO move on path yellow path +

2 WHEN end of path yellow path me + DO switch page 2

General form:

WHEN DO **move on path** **color-path**

WHEN **end of path** **color-path** **me** DO **action**

Notes:

1. For **end of path**, be sure to choose the “path colors” menu, not the “colors” menu, and don’t forget to specify “me”.
2. If you don’t switch pages at the end of a path, the character will reverse direction and keep going.
