Names: _____

Module 1: Treasure Hunt

Version of June 20, 2015

Let student 1 be the "driver" and student 2 be the "navigator".

- The driver uses the game controller.
- The navigator helps the driver find things, and writes the answers down on this form.

Treasure Hunt 1 (or 1b)

What object is next to the apple?   _____

What object is next to the coin?   _____

What object is next to the heart?   _____

What object is next to the octopus?   _____

Now switch roles: Student 1 becomes the navigator and student 2 the driver. Load a new world.

Treasure Hunt 2 (or 2b)

What object is next to the submarine?   _____

What object is next to the boat?   _____

What object is next to the turtle?   _____

What object is next to the starfish?   _____
