

Two Shooter Game

Play with a friend!

1 Make a new world.

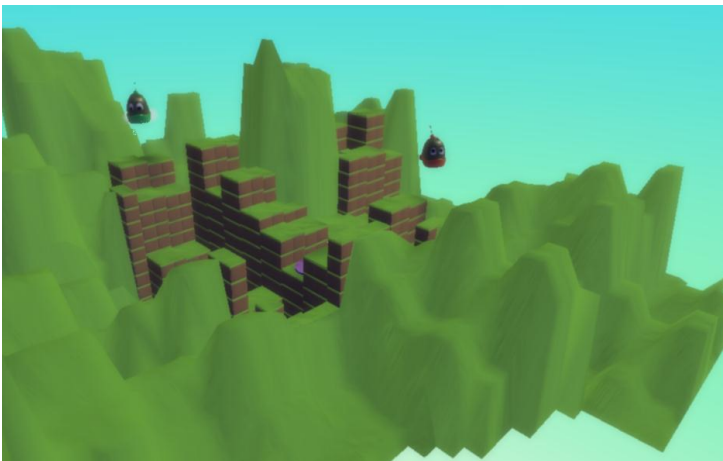

1. Run Kodu. Press the “Start” button; select “New World”.

2. Use the ground brush to enlarge the world. Then make it spiky.

3. Switch to the object tool and make a yellow kodu and a red one.

2 Add rules for each kodu.

1. Rules for the yellow kodu:

1	WHEN	gamepad	Player1	L stick	+	DO	move	+	
2	WHEN	gamepad	Player1	L trig	+	DO	shoot	blip	+

2. Rules for the red kodu:

1	WHEN	gamepad	Player2	L stick	+	DO	move	+	
2	WHEN	gamepad	Player2	L trig	+	DO	shoot	blip	+
3	WHEN	see	kodu	+	DO	move	away	+	

3 Play as the yellow kodu and chase the red kodu.

1. Can you steer the yellow kodu to shoot the red kodu?

4 Plug in a second controller for a friend.

1. The second controller will control the red kodu.
2. Which kodu will win?
