Nature of Complaint	For Office Use Only
<u>I have several complaints.</u>	
<u>When I first got to NN (Narconon So. Ca) in April of 2008 met Lucarelli who was/is the Senior Director for Administration. Went on a crack binge because his pregnant girlfriend Julie Brown, the nurse at NN got fired for taking Vicodin w/ a client.</u>	
<u>Around the same time Benny Clark worked night detox and got a client pregnant.</u>	
<u>Once I graduated in Oct. of 2001, Pat Sauber started pushing Scientology on me.</u>	
<u>Also during this time in year 2001, Dave Hull, who was at that time the Senior Director for admissions, was using drugs & eventually got arrested coming back from Mexico</u>

- Also in April 2000-01, NN admitted a 17 year old CNN isn't licensed to have minors and lied about it, when the Dept.

of Drug and Alcohol came out.

- Around April 2002 the Department of Drug and Alcohol came to NN to observe a complaint, Shannon Hicks had staff and students lie about apartments NN rents for clients to stay in (they are separate from the main facility), when they found alcohol, and drugs they knew exactly why they were there and lied about it.

- When the Dept. of Drug & Alcohol came out to inspect the other facility in Warner Springs (currently trying to open) Shannon Hicks sent the students at Warner Springs back to Newport Beach because they were not suppose to be there because they weren't open. They send students who get into trouble out there to do work. Some students were

- During the end of May 2002, a student came forward and said she was having sex with a student.

- was told to lie about the program to parents, county and Manning was told to lie about the conduct, security that there was security at all times. You may contact at This was the Warner Springs location. He was an executive.

- In Oct, 2002 Jacob Jenny (staff member) was caught using drugs and they continued to allow him to work with students because they had no one else to fill his shoes.
