NDA for project dataset

Non-disclosure agreement for the Mobileum/AIDA dataset: I understand that the dataset is to be used only within the goals of the 15-826 course project. Thus, I promise to do the following:

1. I will delete all the copies and all the derivative datasets that I may have, once the semester is over.

2. I will not post the dataset on any public location.

3. I will not give copies to anyone, without permission from the instructor.

4. I will not make copies of the dataset on a cloud service (like dropbox, google-docs etc)

5. I will not upload parts of the dataset to an LLM (like ChatGPT, Gemini, etc)
